To Whom It May Concern,

I'm happy to recommend Aimee Elizabeth after watching her presentation, "Lipstick on a Pig – How My Relentless Optimism Took Me From Homeless Teen to Helpful Millionaire." What stood out most was how genuine and engaging it felt—equal parts real, impactful, and easy to connect with. Their story is told with authenticity, and it keeps you fully invested from start to finish.

I especially appreciated the message around choosing optimism in the face of challenges. It's a perspective that's immediately applicable, both personally and professionally. I walked away with a refreshed mindset and a stronger appreciation for how attitude shapes outcomes.

Aimee Elizabeth is a natural communicator—relatable, clear, and engaging—and I would confidently recommend her to any organization looking for a speaker who leaves a lasting impression.

Sincerely,

Dallas Serpa
