To Whom It May Concern,

I am writing to highly recommend Aimee Elizabeth as a speaker for your upcoming event. Having seen her speak, I can attest to her profound ability to captivate an audience through her raw honesty and infectious energy.

Aimee's signature presentation, "Lipstick on a Pig," is more than just a motivational talk; it is a masterclass in resilience. She shares her personal trajectory—overcoming homelessness to become a multi-millionaire and best-selling author—with a level of transparency that immediately builds trust with her listeners.

Key strengths Aimee brings to the stage include:

- **Relentless Optimism:** She provides actionable insights on how to maintain a positive mindset even in the most dire circumstances.
- **Business Acumen:** As a successful consultant, she bridges the gap between personal growth and professional excellence, making her suitable for both corporate and community audiences.
- **Engaging Storytelling:** Her background as an author allows her to weave complex life lessons into memorable narratives that resonate long after the session ends. Aimee is a consummate professional who is easy to work with and deeply committed to delivering value to her hosts. She doesn't just "give a speech"; she transforms the room's perspective. I recommend her without reservation.

Sincerely,

Lori Agajanian
